CONSENT TO REPRESENTATION IN APPEALS OF UTILIZATION MANAGEMENT DETERMINATIONS AND AUTHORIZATION FOR RELEASE OF MEDICAL RECORDS IN UM APPEALS AND INDEPENDENT ARBITRATION OF CLAIMS

APPEALS OF UTILIZATION MANAGEMENT DETERMINATIONS

You have the right to ask your insurer, HMO or other company providing your health benefits (carrier) to change its utilization management (UM) decision if the carrier determines that a service or treatment covered under your health benefits plan is or was not medically necessary.* This is called a UM appeal. You also have the right to allow a doctor, hospital or other health care provider to make a UM appeal for you.

There are three appeal stages if you are covered under a health benefits plan issued in New Jersey. Stage 1: the carrier reviews your case using a different health care professional from the one who first reviewed your case. Stage 2: the carrier reviews your case using a panel that includes medical professionals trained in cases like yours. Stage 3: your case will be reviewed through the Independent Health Care Appeals Program of the New Jersey Department of Banking and Insurance (DOBI) using an Independent Utilization Review Organization (IURO) that contracts with medical professionals whose practices include cases like yours. The health care provider is required to attempt to send you a letter telling you it intends to file an appeal before filing at each stage.

At Stage 3, the health care provider will share your personal and medical information with DOBI, the IURO, and the IURO's contracted medical professionals. Everyone is required by law to keep your information confidential. DOBI must report data about IURO decisions, but no personal information is ever included in these reports.

You have the right to cancel (revoke) your consent at any time. Your financial obligation, IF ANY, does not change because you choose to give consent to representation, or later revoke your consent. Your consent to representation and release of information for appeal of a UM determination will end 24 months after the date you sign the consent.

INDEPENDENT ARBITRATION OF CLAIMS

Your health care provider has the right to take certain claims to an independent claims arbitration process through the DOBI. To arbitrate the claim(s), the health care provider may share some of your personal and medical information with the DOBI, the arbitration organization, and the arbitration professional(s). Everyone is required to keep your information confidential. The DOBI reports data about the arbitration outcomes, but no personal information will be in the reports. Your consent to the release of information for the arbitration process will end 24 months after the date you sign the consent.

CONSENT TO REPRESENTATION IN UM APPEALS AND AUTHORIZATION TO RELEASE OF INFORMATION IN UM APPEALS AND ARBITRATION OF CLAIMS

I, , by marking (or) and signing below, agree to:

representation by in an appeal of an adverse UM determination as allowed by N.J.S.A. 26:2S-11, and release of personal health information to DOBI, its contractors for the Independent Health Care Appeals Program, and independent contractors reviewing the appeal.
